Agenda (Attachment A)

1. Mayor's Announcements

- a. The Newton County Board of Commissioners has invited the mayors of the cities in the county to a meeting June 27, 2022 at 6:00 p.m. at the historic courthouse to discuss SPLOST negotiations. The meeting is open to the public, and he encourages everyone to attend.

- b. **Sustainability Committee** – Laura McCanless provided the report for this Committee.
- c. **Planning Commission** – Bill Andrew provided the report for this Commission.
- d. **Comprehensive Plan Steering Committee** – Jim Windham provided the report for this Committee.
- e. **Downtown Development Authority (DDA)** – Mike Ready provided the report for this Authority.

3. **Review of the Georgia Secure Deposit Program** (Attachment B)

At a previous meeting, the City Council discussed moving two accounts to another bank. The City Council had expressed concerns about having all accounts at one bank. However, City Manager Bill Andrew presented information documenting that the State of Georgia requires that banks protect the deposited funds of government agencies regardless of amount. The banks provide information each year documenting that the funds are adequately secured.

In light of this information, he feels that the City's two Truist accounts previously discussed could be moved to United Bank, which has all of the City's other accounts. Staff have a good rapport with the United Bank staff, and the Police Department does not have issues making deposits at United Bank.

Several Council members expressed that they were comfortable with all accounts being with United Bank. George Holt advised that a letter to United Bank signed by Mayor Eady should be prepared to document that the change was authorized.

4. **Change in Meeting Date for the Council's regular meeting on July 4, 2022**

The City Council's regular meeting for July falls on the Independence Day holiday. Due to the extraordinary effort on the part of staff to prepare for and execute the parade and celebration on July 4th, Mayor Eady recommended that the regular session for July be moved to July 11th. No concerns were raised.

5. **Review and Discussion of Six-Month Police Department Report** (Attachment C)

Chief Mark Anglin gave a presentation outlining the six-month report he had prepared for the City Council.

6. **Nominations Needed for the Oxford Planning Commission**

There is a vacancy on the Oxford Planning Commission because Zach May is moving out of town. Dave Huber has offered to serve in this capacity. There are no other nominations. This nomination will be voted out in July.

7. **Review of Coke Street Trail Scope of Work and Budget Estimate** (Attachment D)

Laura McCanless stated she was impressed with the thoroughness of Robert Jordan's estimate. The next step will be to obtain actual bids for the work.

8. **Other Business**

- The City Council reviewed the latest draft of the proposed firearms resolution. Jim Windham advised that a Newton County Commissioner has agreed to move the resolution forward as soon as it is passed by Oxford. The resolution will be voted on in a Special Called meeting Friday, July 24, 2022 at 7:00 p.m. Upon passing, Jim Windham suggested it be sent to all the local, state, and federal representatives.
- Mayor Eady notified the City Council that the intention for 2022 property taxes is to maintain the millage rate passed in 2021. Public hearings will be held in the near future regarding this proposal. The rationale is that the cost of doing business is

increasing, and the City just got back to where it was in 2007. He also mentioned that Oxford's electric rates are some of the highest in the state. Oxford has been taxing electric customers with its rates and relying on moving money to the General Fund each year while keeping property taxes low.

9. Work Session Meeting Review

- a. Georgia Secure Deposit Program – write memo to move all accounts to United Bank
- b. July 2022 regular session – rescheduled to July 11, 2022
- c. Oxford Planning Commission vacancy – vote on nomination of Dave Huber at July 11, 2022 meeting
- d. Firearms Resolution – vote at Special Called Meeting June 24, 2022
- e. Property Taxes – three hearings will be held to discuss the proposal to maintain the current millage rate for 2022.

10. Executive Session

None.

11. Adjourn

The meeting was adjourned by Mayor Eady at 8:42 p.m.

7. Water Service Area Swap (Attachment C)

Mike Hopkins with Newton County Water and Sewer Authority (NCWSA) had previously spoken to the City Council regarding a service area swap, to be formalized as an amendment to the Service Delivery Strategy (SDS). 9. Review of SPLOST Budget (Attachment E)

Mayor Eady stated that communication with the Newton County Board of Commissioners has been a challenge regarding the next SPLOST budget. Bill Andrew had been advised the County was offering the same percentages as the 2017 SPLOST budget. However there had been no formal discussion. Mayor Eady was recently advised that the Intergovernmental Agreement had to be executed by July 19, 2022. Various breakouts between the cities and the county were discussed. The breakout portrayed in the handout is based on 2020 population numbers. The cities have discussed several other breakouts.

Jim Windham suggested requesting a larger portion for the repair of the water line on Haygood Avenue because it supports Oxford College.

Bill Andrew recommended that a Special Called Meeting be held prior to the Work Session on July 18, 2022 to vote on the final recommendation from Newton County.

Mr. Windham stated that the Dried Indian Creek restoration is important to the entire county and deserves a larger amount.

10. Task Order 1 for Atkins Engineering (Attachment F)

A task order has been prepared for general engineering services up to \$50,000 on a per hour basis. The purpose of this task order is for Atkins to handle some of the project and program management responsibilities that staff is not able to dedicate time to. This amount was approved in the FY 2023 budget.

Motion to approve the task order – Mike Ready

Second – Laura McCanless

Discussion:

George Holt asked if this request is for work that the City Council will know about. He also believes that some things in the list are things the City Manager does. Mayor Eady stated the purpose of this task order is to augment the band width of the City staff and to stay on top of issues such as working with GDOT on the City's projects that involve them.

Bill Andrew stated that the invoices will be shared with the City Council. Mayor Eady added that a report will be given to the City Council monthly.

Jim Windham asked if there would be another task order for \$50,000 when that money is used up. Mayor Eady stated he hopes the money will last through the fiscal year, but there may be another request if the need arises, which would require a budget amendment subject to the City Council's approval.

**DRAFT MINUTES OF THE OXFORD MAYOR AND COUNCIL MEETING
PUBLIC HEARING
OXFORD CITY HALL
MONDAY, JULY 18, 2022 – 9:00 A.M.
DRAFT**

ELECTED OFFICIALS PRESENT: Mike Ready

STAFF MEMBERS PRESENT: City Manager Bill Andrew, City Clerk/Treasurer Marcia Brooks

OTHERS PRESENT: Art Vinson, Susan Ballard

The public hearing was called to order at 9:00 am by the Hon. Mike Ready, Mayor Pro Tempore

City Manager Bill Andrew explained that the City has proposed to keep its millage rate the same as it was in 2021. However, the property tax values increased in 2022 by 29.93%. State law requires the City of Oxford to advertise a tax increase under these circumstances and hold three public hearings. A second public hearing is scheduled for today at 6:00 p.m., and a third public hearing at 6:30 p.m. on August 1, 2022. Mr. Andrew opened the floor to public comment.

Susan Ballard

Ms. Ballard stated that when she received the information, she did not understand how the 30% increase would impact her on her taxes. She also asked how the increase in revenue will be targeted, whether it will be put back into the town for its residents or if the college will receive a big part of it.

Art Vinson

Mr. Vinson has been trying to figure out the hocus pocus presented by the numbers. He understands that the assessed value is driven by market forces and the assessors have to follow a process driven by law to assess property values each year. He believes the millage rate is under the control of the City Council. If you have a huge increase in the assessment, you can moderate the increase in taxes that property owners pay by lowering the millage rate. With those two facts in mind, the question becomes, if we are not lowering the millage rate, what are we doing with all this extra money that's coming in, with a 30% year over year change as shown in the materials. He asked if we debated and voted on the money that's coming in.

Mike Ready explained that the budget was adopted not knowing exactly what the millage rate would be, since the digest comes every year after the adoption of the budget.

Mr. Ready adjourned the Public Hearing at 9:06 am.

Marcia Brooks

3. **Consider the Purchase of Art and Map from Mr. Erik Oliver**

Laura McCanless stated that the art and map are very nice and felt the topographical map could be used by the Planning Commission. She stated she did not have any strong feelings about the art depicting the tower of Seney Hall. She suggested Mr. Oliver might approach Oxford College about this piece.

George Holt stated that other artists in Oxford should have an opportunity to present their work to the City Council. Perhaps at some point artists could be invited to contribute works for display in the Council Chamber.

The City Council was not amenable to purchasing the items.

4. Guest Speaker Kathryn Moore, Georgia Conservancy

Mike McQuaide has spoken with Kathryn Moore with the Georgia Conservancy about coming to speak to the Oxford community on the creative use of residential zoning for the conservation of small towns. She is available September 21st or September 28th in the evening. She will need assistance with audio/visual equipment. The City Council agreed to invite her to come on September 28th at 7:00 p.m. The City will advertise the meeting.

5. Discussion of Possible Changes to City Ordinance Code Section 34-26. Vehicle Gross Weight (Attachment B)

The Oxford Police Department has written several citations to residents of Oxford in the last few months for parking vehicles in excess of 10,000 pounds at their homes. These vehicles are used for work. They have also written citations to individuals driving through Oxford in such vehicles, including one who was delivering equipment to Asbury Street Park for the City. The citation was written because the individual traveled on roads where such vehicles are not allowed to get to the park.

The City Council agreed that further research is needed regarding this issue. George Holt stated that the current ordinance allows the delivery of equipment within the City without regard to the road(s) that were used. Chief Anglin advised that his staff will write warnings for violations of this ordinance until a decision is made to change the ordinance or leave it as is.
