RE: FY2013 LMIG application submission

Dear Mr. Gable:

We are enclosing the City of Oxford's application for FY2013 LMIG funding. We plan to perform deep patching on portions of six roads in Oxford. We have enclosed a spreadsheet showing the roads and the amount of patching for each road. We have listed repairs we estimate will cost \$19,841.03. Our LMIG amount this year is \$15,064.65. Together with a local match of 30%, this makes for a total project amount of \$19,584.05.

Newton County has agreed to include our projects with its LMIG projects so we will advertise, award, and perform these repairs in cooperation with Newton County. We intend to award the project in May and complete construction in September, 2013.

If you or your staff have any questions, please contact me at 770-786-7004.

Thank you for your assistance with this project.

Sincerely,

Bob Schwartz  
City Manager
