

Weekly Update
City of Oxford
11/17/2017

- This week, HCS Services, Inc. began construction on the wooden boardwalk that will lead to the pedestrian bridge. The boardwalk will be made of pressure-treated wood, and measure 144 feet from end to end.

- The Oxford Historical Cemetery Foundation contracted with Scarborough Tree Service to remove seven trees from the cemetery. The trees had root systems that were causing damage to existing headstones.
