Ms. Sarah Davis
PO Box 307
Oxford, GA 30054

Dear Ms. Davis:

You need to know that in the next couple of weeks Ace/Kimble Services will start work on a project for the City of Oxford to replace the drainage system in George Street Park. The old concrete drainage pipes have deteriorated and separated and the drainage system is not working very well. The project will cost the City about \$80,000. It will take about two months to complete. For a time, it will look like a bigger project than it is because the contractor will have to use a large tractor to lift the heavy concrete pipe.

We wanted you to know what is about to happen. Please call me if you have any questions or concerns. When we get done, the park will look about the same; it will just drain better.

Sincerely,

Bob Schwartz
City Manager
